OBJECTIVES

It is the purpose of West Virginia Wesleyan College to be a Christian college of liberal arts in the sense that its total program is motivated by Christian ideals and principles, and is directed toward the development of competent, cultured, Christian persons.

The College seeks to help each student, in the light of his individual abilities, interests, and needs, to become such a person by attaining the following specific objectives:

1. Ability and disposition to read the English langauge with understanding, and to speak and write it correctly and effectively. (Stressed in total program, and particularly in composition and speech.)

2. Ability and disposition to think clearly, objectively, independently, and constructively. (Stressed in total program, and particularly in mathematics, natural and social sciences, and philosophy.)

3. Ability and disposition to order one's own life in such fashion as to realize the highest possible degree of health and efficiency of both body and mind. (Stressed in total program, and particularly in physical education and psychology.)

4. A broad orientation in the liberal arts, — some understanding and appreciation of the content and value of the main fields of learning and of the major problems of human life. (Stressed particularly in courses prescribed for all students, and distributed widely over the four divisions of the curriculum.)

5. Sufficient concentration in some field, or fields, to constitute adequate preparation for graduate study or immediate entrance into some well considered vocation, such as teaching, the ministry, business, industry, etc. Through its program of testing and guidance the College undertakes to help the student to choose wisely his vocation or profession. Through its instructional program it undertakes to help him acquire the knowledge and develop the skills

PRESIDENT SCARBOROUGH AND STUDENTS

DEAN SCHOOLCRAFT AND STUDENTS

essential to success in his chosen field. (Stressed particularly in courses constituting the student's major and minors, and in the guidance program.)

6. Understanding, appreciation, and experience of the Christian religion, — development and practice of a Christian philosophy of life. (Stressed in total program, and particularly in courses in Bible and philosophy, in college chapel, in student organizations of a religious character, and in participation in life of local churches.)

7. Ability and disposition to be a good citizen, — to participate in, and assume leadership in, socially constructive organizations and activities; and to foster extension of democracy and development of a worthy cosmopolitanism. (Stressed in total program, and particularly in student participation in government, student organizations, and extracurricular activities.)

The College attempts to help its students toward these objectives in the following ways:

1. By providing a faculty of capable teachers of substantial Christian influence.

2. By providing a program of individual guidance designed to help each student make the best possible use of his talents, time, and opportunities. (See Testing Program, Counseling.)

3. By constantly restudying both its own objectives and procedures in order to improve them, and the needs of its students in order to meet them more fully.

ACCELERATED PROGRAM

West Virginia Wesleyan College affords students an opportunity to complete their studies in as short a time as may be consonant with thoroughness. Many students, especially veterans and others whose studies have been interrupted or delayed by World War II, welcome a soundly accelerated program.

By offering two 16-week semesters and two 6-week summer terms annually, West Virginia Wesleyan College

makes it possible for a student to earn from 44 to 48 semester hours of credit per year, and to complete a degree course in three years or less.

Freshmen are admitted at the beginning of any semester or summer term. Students entering on June 5, 1950, and pursuing successfully an accelerated program, will be graduated in January or May, 1953; those entering September 15, 1950 will be graduated in May or August, 1953; and those entering January 29, 1951 will be graduated in August, 1953 or January, 1954, depending in each instance upon the degree of acceleration at which the student concerned can successfully pursue his studies.

It is optional with the student whether he pursues the accelerated program or the regular 4-year program. Successful pursuit of the accelerated program will call for sustained and concentrated study.

The accelerated program is in every respect equivalent to the regular 4-year program. Acceleration is accomplished by the elimination of the long summer vacations which feature the 4-year program, and in the case of the exceptionally capable student by increasing his semester load by one or two semester hours beyond the normal registration. (See Student Load.)

LOCATION

West Virginia Wesleyan College is located in Buckhannon, a city of about 6,000 inhabitants, near the geographical center of West Virginia. The Baltimore and Ohio Railroad, several bus lines, and national and state highways (U. S. 33 and 119, W. Va. 4 and 20) make West Virginia Wesleyan College easily accessible from all directions.

The fifty acre campus, which fronts on College Avenue between East Main and Meade streets, is shaded and beautified by a grove of native oaks and hundreds of other trees and shrubs planted by the founders and friends of the institution. The beauty of the campus is still further enhanced by its larger setting, the scenic foothills of the Alleghenies.

HISTORY

West Virginia Wesleyan College was founded in 1890 by the West Virginia Conference of The Methodist Episcopal Church under the title of The West Virginia Conference Seminary.

The founding and development of West Virginia Wesleyan College marked the successful culmination of the vigorous and persistent educational efforts of Methodists in what is now West Virginia. Earlier schools established here, and operated for a time, by Methodists during the nineteenth century included The Mt. Hebron School (later Marshall Academy, and now Marshall College), Asbury Academy (at Parkersburg), The Northwestern Virginia Academy (at Clarksburg), and The Fairmont Male and Female Seminary. But by the end of the Civil War period Methodists in West Virginia found themselves without a school. Marshall had become a state institution, and the others had ceased to function.

In 1886 the West Virginia Conference of the Methodist Episcopal Church organized the Board of Trustees of the West Virginia Conference Seminary, and instructed this Board to secure a charter, and select a location, for the proposed Seminary. Buckhannon was chosen as the site of the new school, a building was erected, and the first term was opened in September, 1890.

For fourteen years the West Virginia Conference Seminary operated as an academy, or preparatory school. In 1904, however, it became an institution of collegiate rank, known since as West Virginia Wesleyan College. For more than a decade after 1904 the College offered courses on both the academic and college levels, but due to the rapid rise of public high schools the academic phase of the curriculum rapidly diminished and soon disappeared.

In 1941 the West Virginia Conference of the Methodist Church, constituted by the unification of the Methodist Episcopal Church, The Methodist Episcopal Church, South, and The Methodist Protestant Church, ordered that West

Virginia Wesleyan College should be the only educational institution to be operated under its auspices. (By this action Morris Harvey College, owned and operated since 1889 by the Methodist Episcopal Church, South, acquired independent status.)

Throughout her history West Virginia Wesleyan College has sought to serve faithfully the Church to which she owes her existence, the nation, and the world, — by helping her students to synthesize scholarship and Christianity in the good life.[1]

LIBRARY

The library of West Virginia Wesleyan College contains more than 35,000 volumes, and additions are being made at the rate of 2,000 volumes per year. The library subscribes to more than 225 carefully selected periodicals.

The aim of the library is to provide all books and periodicals needed by faculty and students for reference, research, and recreational reading.

In providing the library the largest budget, and the largest and best trained staff, in its history, the College is observing the principle that a good collection of books and periodicals, efficiently managed, is essential in an adequate educational program.

In order to be of all possible service to faculty and students, the staff keeps the library open on Mondays to Fridays from 8:00 A. M. to 5:00 P. M., and from 7:00 P.M. to 9:00 P.M., and on Saturdays from 8:00 A.M. to noon, and from 1:30 P.M. to 5:00 P.M. The library is not kept open during recesses, or between sessions.

They are to be a RESIDENCE HALL FOR MEN; a LIBRARY, a gift of the late Annie Merner Pfeiffer, of New York City; a HALL OF MUSIC AND FINE ARTS, a gift of the late Mrs. Lawson L. Loar, of Clarksburg, W. Va.; and a CHAPEL, a gift of the late Mrs. Calvin A. West, of Orlando, Florida. Construction is expected to begin in 1950.

RELIGIOUS LIFE

West Virginia Wesleyan College is deeply committed to the Christian way of life. The faculty is made up of Christian men and women. The student body represents various Christian churches. Each student is expected and urged to attend the church of his choice. Many students while in residence at Wesleyan unite with local churches, by transferring their membership. Students participate in the activities of local churches, rendering excellent service and developing skill and proficiency in Christian work.

A religious service is conducted each Thursday evening under the auspices of the Community Council Committee on Religious Activities.

A number of students do field work each summer in the churches of the state.

Wesleyan ministerial students regularly serve several Methodist charges in the vicinity of the College.

Of the 760 students in residence during the first semester of 1949-50, eighty-six were preparing for the work of the Christian ministry, and twenty-two others were preparing for careers in Religious Education.

CHAPEL AND ASSEMBLY

Chapel services are conducted on Tuesdays at 11:00 o'clock. Assemblies convene on Thursdays at 11:00 o'clock. Attendance at both is required. (See Attendance Regulations.)

Assembly programs are diversified in character, and are always in keeping with the spirit and purpose of the College.

Chapel services are dignified worship services, featuring sacred music, liturgies, and sermons.

The following eminent religious leaders have contributed in recent years to the enrichment of our chapel services: Henry Hitt Crane, W. J. Davidson, Albert E. Day,

Sherwood Eddy, Fred D. Gealy, John O. Gross, Elmer A. Leslie, Edwin Lewis, Rabbi George B. Lieberman, Boyd M. McKeown, Harry W. McPherson, Jacob S. Payton, Roy L. Smith, Geoffrey W. Stafford, and Bishops Hughes, Kern, Oxnam, Straughn, and Wicke.

ADMISSION AND CREDITS

ADMISSION BY HIGH SCHOOL TRANSCRIPT

West Virginia Wesleyan College will admit to freshman standing, subject to the reservation below, graduates of accredited high schools who stand in the upper half of their graduating classes, and who present to the Committee on Admission the following:

1. An application for admission, on form furnished by the College.

2. A transcript of high school record showing courses pursued, grades earned, credits amounting to at least 15 units (earned in grades 9 to 12), and a clear statement of applicant's standing in his graduating class (e.g., Third, in order of highest to lowest, in a graduating class of 141.)

3. A satisfactory health history and health certificate, on forms furnished by the College.

4. Two satisfactory personal recommendations, on forms furnished by the College, preferably by applicant's pastor and his principal or one of his teachers. Recommendations by other responsible persons may be accepted.

Graduates of accredited high schools who do not stand in the upper half of their graduating classes, and graduates of non-accredited high schools, may apply for admission, as above, and may be admitted if they demonstrate on such tests as the College may prescribe satisfactory ability and achievement. In such cases, the applicant, if approved, is admitted tentatively. If he maintains a satisfactory record for the period for which he is tentatively admitted, he is then granted regular standing; otherwise, his enrollment is terminated.

The College reserves the right to refuse to admit any person, who, because of low scholarship, or for any other reason, is in the judgment of the Committee on Admission deemed unlikely to conform to the standards and ideals the College seeks to maintain.

Forms for use by applicants for admission may be obtained by addressing the Dean of the College.

ADMISSION BY EXAMINATION

West Virginia Wesleyan College will admit to freshman standing, subject to the reservation in the preceding section, persons who, without having completed a high school education, have served in the United States Armed Forces in World War II; who demonstrate by their performance on such tests as the College may prescribe that they have acquired the equivalent of a general high school education, or that they are as able to pursue a program of general education at the college level as freshmen admitted under the preceding section; and who present to the Committee on Admission items 1, 3, 4, and 5 in the preceding section, together with a transcript of any high school credits earned.

Credit for courses taken in non-accredited institutions will be determined by the Committee on Admission and Academic Standing. This committee may require the person desiring credit for such courses to take a series of examinations to demonstrate satisfactory mastery of courses for which credit is sought.

West Virginia Wesleyan College will, as a general rule, accept no transfer credits with grades below "average,"—that is, below C, or its equivalent.

West Virginia Wesleyan College will not accept more than sixty-four semester hours of credit from a junior college.

West Virginia Wesleyan College will not accept by transfer credits earned per semester in excess of the number of credits students in residence are permitted to earn. (See Student Load.)

4. Army Specialized and Naval College Training Programs. Appropriate credit will be granted students who have successfully pursued Army Specialized and Navy College Training Programs carried on by colleges and universities upon receipt of an official transcript from the institution at which the program was pursued, indicating the content, level, and credit value of each course listed in terms of courses in the regular civilian curricula of that institution.

All grants of credit for educational experience gained in civilian life must be made by the Committee on Academic Standing.

Interested persons should address the Dean of the College.

CREDIT FOR PROFESSIONAL TRAINING

A student who has completed a minimum of 96 semester hours may, with the prior permission of the Committee on Academic Standing, enter an accredited professional school, and transfer back to West Virginia

Wesleyan College enough credits in subjects approved by the Committee to complete the total number of credits required for a degree, — provided, he has met fully all other degree requirements.

A student who has completed a minimum of 96 semester hours may, with the prior permission of the Committee on Academic Standing, substitute successful completion of two and one-half years of training in an approved school of nursing for the additional number of credits required for a degree, — provided, she has met fully all other degree requirements.

A student who has completed a minimum of 96 semester hours may, with the prior permission of the Committee on Academic Standing, substitute successful completion of not less than one year of training in an approved school for medical technologists for the additional number of credits required for a degree, — provided, he has met fully all other degree requirements.

REGISTRATION AND CLASSIFICATION

TIME OF REGISTRATION

Freshmen entering in September are required to register during Freshmen Week, September 15-19, 1950. All other students will register on Tuesday, September 19. All students entering at the beginning of the second semester, or at the opening of any summer term, will register on the day designated in the college calendar.

Except in cases of unavoidable delay, late registration is strongly discouraged. Students who enroll late will be required to reduce the number of hours for which they register, unless excused by the Committee on Admission and Academic Standing. A charge of $5.00 is made for late registration.

CHANGES IN REGISTRATION

Changes in registration can be made only with the approval of the Dean of the College, who in problematical cases will require the written consent of the student's counselor, and favorable action by the Committee on Academic Standing. In order to minimize changes, the student should consult his counselor, and, if necessary, the Dean of the College, before registering.

Changes in registration after the first week of a semester, or after the first three days of a summer term (of six weeks), must be approved by the Committee on Academic Standing.

No changes in registration, involving addition of new courses, may be made after the second week of a semester, or after the first week of a summer term (of six weeks). (See Withdrawal from Courses.)

A charge of $1.00 is made for each change in registration, except when required by the College.

PREREGISTRATION

Students in residence during any semester or summer term preregister for the ensuing semester and/or summer term on dates designated in College calendar. Since it is highly important that preregistration be complete, in order that provision may be made for enough textbooks, laboratory materials, and sections of classes, students are required, in their own interest, to preregister. A charge of $5.00 is made for failure to preregister on dates designated.

STUDENT LOAD

The normal student load is sixteen credit hours per semester, or six hours per summer term (of six weeks). Students who are working part time, or who are failing to maintain a satisfactory scholastic record, are advised to carry loads lighter than the average. The Committee on Academic Standing may require the poor student to lighten his load. No student may register for more than sixteen credit hours in any one semester, or more than six in any one summer term (of six weeks), without the consent of this Committee. No student may register for more than eighteen credit hours in any one semester.

WITHDRAWAL FROM COURSES

A student will be permitted to withdraw from a course only during the first half of a semester, or summer term, and only when the circumstances fully justify this procedure. In order to withdraw from a course, a student must obtain the written permission of the Dean of the College, who in problematical cases will require the written consent of the student's counselor, and favorable action by the Committee on Academic Standing.

If the student is doing passing work when he is granted permission to withdraw, WP (withdrew passing) is entered on his record. Otherwise, WF (withdrew failing) is entered.

If a student discontinues a course without permission, F (failure) is entered on his record.

COURSES REPEATED

A course in which the final grade is either a D or an E may be repeated with the permission of the Committee on Standing. Whenever a course is repeated, both the first grade received and the grade in the repeated course, with their related hours and quality points, shall remain a part of the permanent record. The total number of hours and points required for graduation will be increased accordingly.

CLASSIFICATION

When a student has met all entrance requirements, and has completed his registration, he becomes a freshman; when he has earned 24 semester hours of credit and 24 quality points, he becomes a sophomore; when he has earned 56 semester hours of credit and 56 quality points, he becomes a junior; and when he has earned 88 semester hours of credit and 88 quality points, he becomes a senior.

EXPLANATION OF GRADES AND QUALITY POINTS

Grades	*Explanation*	*Quality Points*
A	Excellent	3
B	Good	2
C	Average	1
D	Poor	0
E	Condition	0
F	Failure	0
I	Incomplete	0
WP	Withdrew Passing	0
WF	Withdrew Failing	0

Further explanation of I: If a student who has been making a passing grade can not complete his work in a course on account of illness or other sufficient reason, an I (incomplete) is entered temporarily on his record. A

course recorded as incomplete must be completed within the first six weeks of the next semester, except when an extension of time is granted by the Committee on Standing. Otherwise, the I automatically becomes F.

Further explanation of E: If a student has failed by a small margin to merit a passing grade in a course, an E (condition) may be entered temporarily on his record. A condition must be removed within the first six weeks of the next semester, except when an extension of time is granted by the Committee on Standing. If the condition is so removed, the final grade of D is entered on the student's permanent record. Otherwise, the E automatically becomes F.

For purposes of this section, a summer session (of twelve weeks) will be treated as a semester.

AUDITORS

A person desiring to audit a course must obtain permission from the Dean of the College, register as an auditor, and pay the auditor's instructional charge for the course. (See Expenses.)

Auditors take no examinations, submit no written work, do no laboratory work, and receive no credit for courses audited.

THE WARNED LIST

A student who fails during any semester to maintain on total record a scholarship quotient of 1.00 or above, or fails to make passing grades (A, B, C, or D) in at least three-fourths of the hours for which he was registered, will be placed on the warned list for the next semester in which he is in attendance, and notice thereof will be given to the student, his parents, and all members of the faculty and administration of the College.

While a student is on the warned list, he is ineligible for election or appointment to any office in any campus

organization; for appointment to membership on any Community Council committee; for participation in any time-consuming extracurricular activity; for earning points toward the Wesleyan Key; or for receiving any grant in aid, workship, or scholarship.

For purposes of this section, a summer session (of twelve weeks) will be treated as a semester.

ACADEMIC PROBATION

A freshman who fails during any semester to maintain on total record a scholarship quotient of 0.50, or above, will be placed on academic probation. A sophomore who fails during any semester to maintain on total record a scholarship quotient of 0.75, or above, will be placed on academic probation. A junior who fails during any semester to maintain on total record a scholarship quotient of 0.90 or above, will be placed on academic probation. A senior who fails during any semester to maintain on total record a scholarship quotient of 1.00, or above, will be placed on academic probation.

A student on academic probation who fails during one semester of probation to attain the scholarship quotient indicated above may be discontinued because of poor scholarship.

When a student is placed on academic probation, the following type of entry will be made on his permanent record:

Placed on academic probation. 1/28/50.

When a student on academic probation has attained the scholarship quotient indicated above, the following type of entry will be made on his permanent record:

Removed from academic probation. 5/30/50.

All students on academic probation are also on the Warned List, and are subject to all the ineligibilities listed thereunder. (See Warned List.)

For purposes of this section, a summer session (of twelve weeks) will be treated as a semester.

DISCIPLINARY PROBATION

A student who fails in any matter of conduct to conform to the ideals and standards the College seeks to maintain may be placed upon disciplinary probation for a stated period; or, if his failure is judged to be sufficiently serious, may be required to withdraw.

A student on disciplinary probation who fails during the period of probation to conform to the ideals and standards the College seeks to maintain may be required to withdraw.

When a student is placed on disciplinary probation, the following type of entry will be made on his permanent record:

Placed on disciplinary probation. 11/7/49.

When the conduct of a student on disciplinary probation has been satisfactory throughout the period of probation, the following type of entry will be made on his permanent record:

Removed from disciplinary probation. 5/30/50.

A student on disciplinary probation is subject for the period of probation to all the ineligibilities listed under the Warned List. (See Warned List.)

REPORTS TO PARENTS

At the middle and end of each semester, and at the end of each summer term (of six weeks), the College sends a report of each student's grades and attendance record to his parents. These reports are made in the interest of thorough understanding and unity of effort on the part of all persons interested in the education of each individual student.

ATTENDANCE REGULATIONS

1. Each student is responsible for regular attendance upon all classes.

2. Missing any class or laboratory session, or major portion thereof, constitutes an absence. Missing sessions because of late registration constitutes absences.

3. Instructors will at the end of each week report all absences during that week, or the fact that there were no absences during that week, to the Committee on Attendance.

4. Each instructor shall be responsible for handling problems of attendance.

5. When the total of a student's absences in any course exceeds the number of semester hours credit for which the student is registered in said course, said student shall become subject to suspension for negligence, at the discretion of the Committee on Academic Standing, unless excessive absences are found by the Committee on Attendance to have been due to extraordinary circumstances. (See Suspension for Negligence.)

When the total of a student's absences from Chapel exceeds two during any semester, said student shall become subject to suspension as above.

When the total of a student's absences from Assembly exceeds two during any semester, said student shall become subject to suspension as above.

6. If a student is absent from any examination, except a final examination, said student must pay a charge of $1.00 at the Business Office, present receipt therefor to the instructor, and then make up the examination as the instructor may direct. In the case of such absence from a final examination, the student must pay a charge of $5.00 at the Business Office, and make up the examination as above.

SUSPENSION FOR NEGLIGENCE

Students who incur an excessively large number of absences from any course(s), or who are otherwise grossly negligent of their studies, may be suspended therefor from the course(s) involved, or from all courses, by the Committee on Academic Standing, and for a period to be fixed by said Committee; or may be permanently discontinued by said Committee. Students so suspended, or discontinued, shall have F entered on their permanent records for the courses involved. (See Attendance Regulations, 5.)

REQUIRED WITHDRAWAL

West Virginia Wesleyan College reserves the right to require any student whose scholarship proves unsatisfactory, or whose presence jeopardizes in any way the ideals and standards the College seeks to maintain, to withdraw.

SERVICES

HEALTH SERVICE

The College maintains a health service for its students, as outlined below.

As one of the requirements for admission to the College each applicant must present at, or prior to, registration a health certificate executed by a practicing physician. Forms provided by the College must be used for this purpose.

Subsequent to admission every student is required to take at least one thorough physical examination annually. These examinations are made by the College physician as a part of the health service provided by the College.

Private homes providing room and/or board for students must obtain approval by the Health Committee.

A competent dietitian plans all menus for College dining rooms.

A registered nurse, employed full time, keeps regular office hours at the College, and is subject to call as her services are needed.

The College physician keeps regular office hours at the College, and is subject to call as his services are needed. The College provides his services so far as minor and occasional illnesses are concerned.

The College does not assume responsibility for prolonged or specialized medical care or for hospitalization.

The Leonard Memorial and St. Joseph's hospitals, located in Buckhannon, afford good facilities and services.

TESTING SERVICE

In order to provide counselors, instructors, and the student himself with reliable information about his individual ability, aptitudes, achievement, progress, vocational interests, and significant personality traits, the College maintains a well planned testing program.

Entering freshmen, prior to registration, take the following standard tests prepared by the American Council on Education: (1) Psychological Examination, (2) Cooperative English Test, (3) Cooperative General Achievement Tests (Social Studies, Natural Sciences, Mathematics), (4) Cooperative Contemporary Affairs Test for College Students, (5) the Strong Vocational Interest Inventory, and (6) a personality inventory. The results of these tests are used in counseling, sectioning, etc., in an effort to adapt instruction to each student's individual needs.

Late in the sophomore year all students participate in the National College Sophomore Testing Program, sponsored by the American Council on Education. The results of these tests, together with results of other tests in special fields, afford an accurate indication of the student's relative standing among the college sophomores of the nation. Such information is invaluable to the student in choosing a field of concentration, and a vocation, in keeping with his particular pattern of competence.

Seniors approaching graduation take the Graduate Record Examination, consisting of (a) general tests, taken by all, in Biology, Chemistry, Fine Arts, Literature, Mathematics, Physics, Social Studies, and Verbal Factor, and (b) advanced tests taken by each student in his major field only. The results of these tests are very valuable to the student in helping him determine the position for which he is best suited, or decide whether he should undertake graduate study.

Near the end of the senior year, each student must, as a requirement for graduation, pass written comprehensive examinations in his major and minor fields of concentration. The candidate for a degree who successfully passes his comprehensive examinations will not be required during the same semester, or summer term, to take the usual final examinations in courses in his fields of concentration.

This testing program, with the exception noted in the last paragraph, supplements the tests given by instructors

in specific courses. It also provides factual data on the basis of which the College undertakes continuous evaluation and improvement of its curriculum.

COUNSELING SERVICE

Each student is advised during his freshman and sophomore years, or until he has selected a field of concentration, by a member of the Counseling Committee. After he has selected a field of concentration, his instructors in this field serve as his counselors.

It is the aim of counselors to study the individual student, and to assist him in his growth toward well integrated adulthood. On the basis of tests, interviews, and social contacts, counselors advise the student and assist him in the solution of his various problems.

PLACEMENT SERVICE

West Virginia Wesleyan College maintains a Placement Service to assist its students and alumni in finding employment. Persons who wish to avail themselves of this service should file with the College the information for which its forms provide. Address the Placement Service.

DEGREES AND REQUIREMENTS FOR GRADUATION

The residence requirements must be met during the student's *last* thirty-two weeks in college prior to the awarding of his degree, unless excused for extraordinary reasons by the Committee on Admission and Academic Standing.

In each of his minor subjects the student must earn a minimum of fifteen semester hours credit and as many quality points as semester hours.

No more than forty semester hours of credit in any one department may be counted toward the one hundred and twenty-eight hours required for graduation. (An exception to this rule is made in the case of students majoring in Music, who may count toward degree requirements a maximum of fifty semester hours in Music.)

COMPREHENSIVE EXAMINATIONS

In order to qualify for a degree a student must pass written comprehensive examinations in his major and minor fields of concentration. (See Testing Program.)

Students who complete all degree requirements with a scholarship quotient of 2.50 to 2.74 will be graduated *cum laude;* those who complete all such requirements with a

scholarship quotient of 2.75 to 2.99 will be graduated *magna cum laude;* and those who complete all such requirements with a scholarship quotient of 3.00 will be graduated *summa cum laude,* — provided, that the scholarship quotient in each instance shall be, in the judgment of the Committee on Academic Standing, corroborated by scores on National Sophomore Testing Program and/or the Graduate Record Examination. Degrees with distinction must be approved by the Committee on Academic Standing.

Qualified freshmen may borrow as much as $150.00 during their second semester; sophomores, as much as $100.00 per semester; juniors, $125.00 per semester; and seniors, $150.00 per semester. However, no student may borrow a total of more than $750.00.

THE EVA AND ERWIN KING LOAN FUND. This fund of $2,500.00 is available to ministerial students.

THE EDNA JENKINS LOAN FUND. This fund of $2,000.00 is available to junior and senior women, with preference to be given to students of Home Economics.

THE BERNARD SHELL LOAN FUND. This fund of $2,000.00 is available to deserving and responsible students.

THE MARY WEBB LOAN FUND. This fund of $500.00 is available to ministerial students.

THE ESTHER M. QUESTA LOAN FUND. This fund which now contains $300.00, is available to students, with preference given to students of Italian descent preparing for the ministry or some other form of Christian service.

THE JUDY BOONE LOAN FUND. This fund of $150.00 is available only to a woman who is a member of Nighbert Memorial Church (Logan, West Virginia.)

ENDOWED LOAN FUNDS. The income from certain endowments is available to deserving and responsible students.

All loans, except those made from the Methodist Student Loan Fund, must be approved by the Committee on Student Aid and the Executive Committee of the Board of Trustees.

EMPLOYMENT

The city of Buckhannon affords students a limited number of opportunities for part time employment.

APPLICATIONS FOR AID

Applications for workships, grants in aid, and loans must be made on forms provided by the College. Only students in residence, former students, and persons submitting applications for admissions may file applications for aid.

No student is eligible for more than one scholarship, workship, or grant in aid, with the single exception that a student receiving any of these forms of aid may also apply for a Methodist student loan.

Inquiries regarding all forms of aid should be addressed to the Committee on Student Aid.

A CAMPUS VISTA

SUMMER SESSION

West Virginia Wesleyan College conducts annually a twelve-week summer session, consisting of two terms of six weeks each. The summer session is of special interest to (1) teachers in service in public schools, who find it highly advantageous to raise their level of certification, or necessary to renew present certificates, (2) veterans, who are eager to complete as soon as possible their studies interrupted or delayed by World War II, (3) other students pursuing an accelerated program (See Accelerated Program), and (4) entering freshmen.

The first of the two summer terms for 1950 begins on June 5, and ends on July 14; the second begins on July 17, and ends on August 25. Students may attend either term, or both. (See Student Load.)

High School graduates intending to enter college in 1950 are advised to enter at the beginning of the first summer term. Those who enter on June 5, 1950, and pursue successfully the accelerated program will be graduated in January or May, 1953, depending upon the degree of acceleration at which each can successfully pursue his studies. If the same persons should enter college in September, 1950, and omit summer sessions, they could not be graduated before May, 1954. It is therefore, possible to save from one year to one and one-half years in completing one's college course by taking full advantage of summer sessions, and at the same time to effect some reduction in the total cost of one's college course.

Summer session courses are taught by regular members of the College faculty, and are in all respects equivalent in scope and thoroughness to courses offered on the usual semester basis.

The courses offered in the summer session are selected and arranged to meet the needs of entering freshmen, students pursuing the accelerated program, teachers in service, and veterans.

College residence halls remain open for the summer session. (See Buildings and Equipment.)

Charges for instruction, room, board, etc. during summer session are listed elsewhere in this *Bulletin.* (See Expenses.)

Schedules for the 1950 summer session appear on the pages that follow.

EXPLANATION OF COURSE NUMBERS

Courses for freshmen (the 100 series) and sophomores (the 200 series) constitute the lower level of the curriculum. All required courses are located on the lower level, and should be completed, as far as possible, by the end of the student's sophomore year.

Courses for juniors (the 300 series) and seniors (the 400 series) constitute the upper level of the curriculum. In order to qualify for a degree, a student must earn at least forty-five semester hours of credit and at least as many quality points as semester hours in upper level courses. In his major field the student must earn at least twelve semester hours of credit and at least as many quality points as semester hours in upper level courses.

Courses bearing odd numbers are usually given during the first semester, and those bearing even numbers during the second semester. Whenever a course bearing an odd number is given in the second semester, or a course bearing an even number in the first semester, an "r" is added to the number of the course on class schedules and permanent records.

In general, freshmen should enroll for courses in the 100 series, sophomores for courses in the 200 series, etc. The student must obtain the permission of the Dean of the College and of the instructor in the course in order to enroll in a course below his classification; and he must obtain the permission of the same persons, and must have earned credit for the prerequisites, if any, in order to enroll in a course above his classification.

CLASS SIZE

In order to guard against economic inefficiency on the one hand, and ineffective instruction on the other, no classes in which registration is less than five will be taught, and classes in which registration exceeds forty will, if possible, be divided into sections. Under unusual circumstances the Curriculum Committee may permit exceptions.

PREPROFESSIONAL AND VOCATIONAL COURSES

West Virginia Wesleyan College provides preprofessional education for students of Business Administration, Dentistry, Dietetics, Education, Engineering, Journalism, Law, Library Science, Medical Technology, Medicine, Nursing, Occupational Therapy, Optometry, Pharmacy, Physical Therapy, and Religion. (See Credit for Professional Training.)

In three fields, — business administration, the ministry, and teaching, — the College provides enough professional training to enable the graduate to enter his profession, although in the case of candidates for the ministry graduate study is strongly urged.

A number of three-year courses, which can often be completed in two calendar years by moderate acceleration, will meet the degree requirements of West Virginia Wesleyan College when supplemented with at least one year of successful study in an approved professional school. (See Credit for Professional Training.)

OUTLINES OF COURSES

In order to provide students a plan of studies required, or recommended, in preparation for various professions and vocations, a number of outlines are included in the pages that follow.

These outlines are not to be regarded as rigid prescriptions, allowing of no exceptions or modifications. With faculty counsel, some departures, or rearrangements, will occasionally be wise.

In the case of outlines that do not provide fully for major and minor concentrations, electives should be used to complete concentration requirements. (See Concentration.)
